**Information Regarding Dilating Eye Drops**

Dilating drops are used to dilate/enlarge the pupils of the eye to allow the ophthalmologist to get a better view of the inside of your eye. It can frequently blur vision for a length of time which varies from person to person. Driving may be difficult immediately after an examination. We recommend you make transportation arrangements for your appointment. Adverse reactions, such as acute angle-closure glaucoma, may be triggered from the dilating drops. This is extremely rare and treatable with immediate medical attention.

I hereby authorize Dr. Anshu Sinha and/or assistants as designated by her to administer dilating eye drops. The eye drops are necessary to diagnose my condition. X___________________

**Telephone Authorization**

I hereby authorize Dr. Anshu Sinha and/or assistants as designated by her to leave voice mails, send text messages and/or emails for appointment reminders. X___________________

I certify that the information above is correct and true to the best of my knowledge and is only to be used for treatment, billing, & processing of insurance benefits. I will not hold my physician or any member of Glaucoma Plus Eye Care responsible for any errors or omissions that I have made in the completion of this form. I authorize Glaucoma Plus Eye Care to release and/or send medical information regarding my case to other consulting and/or referring physicians.

# Financial Policy

***Welcome to the practice of Anshu P. Sinha, M.D. Please take a moment to review our office financial policy.***

**INSURANCE:** You are responsible for providing all current medical and vision insurance information at the time of your initial visit and providing any changes and/or updates to this information at subsequent visits.
**REFERRALS:** If your insurance plan requires a referral to be obtained prior to services rendered at a specialist, it is your responsibility to obtain the referral from your primary care physician and present it during your initial visit in order to be seen by Dr. Sinha. Your appointment may be rescheduled if you do not have the required referral. If you inadvertently receive medical care or visits with the physician without a required referral, you will be financially responsible for the visit. If subsequent referrals are required, it remains your responsibility to obtain and present the referral at each applicable visit.
**CO-PAYMENTS:** If your insurance requires a co-payment, it will be due at the time of service. Any increases to co-payments will be reported by your insurance after your claim is processed and the difference will be your responsibility. Your co-payment will be collected prior to seeing Dr. Sinha. We accept cash, checks, and credit cards for payment (Visa, Master Card, and Discover only).
**NO INSURANCE:** If you do not have health insurance coverage, payment in full is required at the time of service.
**BILLING:** Insurance claims will be filed on your behalf; however, you are financially responsible for paying any deductibles, co-insurance, and co-payments as reported by your insurance. Your insurance plan may not cover all services, even though your physician determines the service(s) to be medically necessary. Examples of non-covered services include, but are not limited to treatment or tests. Any charges not covered by your insurance will also be your responsibility. Payment is due upon receipt of billing statement. If your account goes into collection, additional fees for collection agency, attorney fees, and/or court cost will be added to the outstanding balance on your account.
**APPOINTMENT CANCELLATIONS:** 24 hour advanced notification is required for appointments requiring cancellation or rescheduling. Failure to provide 24 hour notice may result in a $25 charge.

## Assignment of Benefits

I understand that insurance is a means of reimbursement and not a substitution for payment. I authorize Glaucoma Plus Eye Care, LLC to file my healthcare claims on my behalf for medical services rendered. I certify that the information I have reported with the regard to my insurance coverage is correct. I further authorize the release of any necessary information, including medical information for the processing of my claims to my insurance(s), in the case of Medicare Part B benefits to the Social Security Administration and Health Care Financing Administration. I authorize payment of medical insurance and benefits which are payable to me under the terms of my insurance to be paid directly to Glaucoma Plus Eye Care, LLC for services rendered. I agree to pay all copayments, coinsurance, deductibles, out-of-pocket expenses and non-covered services as determined by my insurance plan at the time of service. I understand and agree to that I am ultimately responsible for payment of all fees for services rendered regardless of my insurance status. A copy of this authorization may be used in place of the original.

This authorization may be revoked by either me or my insurance carrier at anytime in writing. I understand and agree that I am financially responsible for charges not paid by my insurance company.
