

Welcome to Glaucoma Plus Eye Care. The Glaucoma Plus Eye Care is an Ophthalmology practice devoted to glaucoma and general eye care. Dr. Sinha is a fellowship- trained glaucoma specialist and together with a team of trained staff, we provide state-of -the-art comprehensive eye care.

Your initial consultation may last up to two hours. As your eyes will be dilated in order to evaluate your optic nerve and retina, you may wish to bring someone to drive you home. Sunglasses are also helpful to assist with the glare.

Glaucoma Plus Eye Care participates with most insurance companies. If your insurance requires a referral, you are responsible for obtaining a referral authorization from your primary care physician (PCP) for each office visit. The referral form must be given to our receptionist upon arrival, as well as your most recent card and driver's license.

Please bring this information with you on the first visit:

-  A list of all your current medications.
-  If you are currently taking eye drops, please bring the bottles with you.
-  Your current eyeglasses or a copy of your eyeglass prescription.
-  A name of your primary care physician as well as other doctors participating in your care. This will enable us to maintain communication with your doctors.

Please do not hesitate to contact our office should you have any questions. We look forward to caring for you.

*Your appointment may take up to 2 hours. If we decide to dilate your pupils, your vision may be a bit blurry. You may want to bring someone to drive you home. If you have any questions about this, please call.*

## REGISTRATION

Please arrive 15 minutes prior to your appointment time to complete the registration process.

## INSURANCE

We participate with all major insurances. Please bring your insurance card(s) with you so we can verify that we have the correct information to bill your insurance company.

Patients with co-pay requirements must pay at the time of their visit. If you are not prepared to pay, you may be asked to reschedule your appointment. We accept cash, Visa, MasterCard, American express and personal checks for payment.

## REFERRAL

If your insurance carrier required you have to a referral, you must bring a copy with you. Without the referral, you may be asked to reschedule your appointment.

## MEDICAL HISTORY

Please bring your eyeglasses as well as a list of medications that you are currently taking and the dosage. If this is your first visit to our practice, please bring any previous medical records and test results.

## CANCELLATION/RESCHEDULING

Please call 410-715-2212 if you need to cancel or reschedule your appointment, we would appreciate at least a 24-hour advance notice for any appointment cancellation.
